

# Become a Vice President

Your opportunity to make a difference for adults and children with life-limiting illnesses in your local community, today and into the future.

**At Rennie Grove Hospice Care we believe that everyone with a life-limiting illness should be able to live well for as long as possible and have the choice to die at home. We put families at the heart of the specialist care we provide, visiting patients day and night, supporting adults and children to live the best quality life they can to make every moment together matter.**

The impact of covid-19 combined with a year on year increase in demand for our hospice care services, means we need to take a proactive approach to achieving committed regular support. With only 13% of our annual running costs funded by the NHS, we are dependent on the generosity of our loyal supporters to raise the £8.1 million it costs to deliver our care.

Our Vice Presidents' scheme is designed to strengthen our charity and provide stability against uncertain times.

We are extremely grateful to our Vice Presidents and members of the Presidents' Circle who currently fund one of our night nurses. This year we need more Vice Presidents to join the scheme to help us fund the £59,000 cost of a second night nurse, to provide visits and care to patients and families in distress every night of the year.

**We invite you to become a Rennie Grove Vice President or a member of the Presidents' Circle today to help us with this important programme and meet the needs of local families coping with life-limiting illness now and in the years ahead.**

## Rennie Grove Vice President

**Become a Vice President by pledging to give £1,000 or more as an annual commitment to Rennie Grove for a minimum of three years. We commit to:**

- write to you with an update from the Rennie Grove night team every January
- send Rennie Grove Matters newsletters twice a year in spring and autumn by post or email, depending on your preference
- produce a Vice President's impact report each summer on funding a Rennie Grove overnight team nurse, so you can read about the difference your gift is making
- send you our annual review hot off the press
- invite you to a Vice Presidents' drinks reception
- invite you to join us at our Christmas reception

## Presidents' Circle

**Join the Presidents' Circle by pledging to give £5,000 or more as an annual commitment to Rennie Grove for a minimum of three years. In addition to the Vice Presidents' benefits, we commit to:**

- provide an opportunity to hear from Moira Rennie and Dr Mary Groves. Moira is the widow of the very first patient, Iain Rennie, after whom Iain Rennie Hospice at Home was named and Mary was instrumental in launching the appeal that created Grove House in St Albans, recognising a need for specialist cancer services in the area. Our Presidents are at the very heart of the charity and were influential in founding each of the charities that went on to form Rennie Grove Hospice Care.
- invite you to an exclusive annual event hosted by our Chair of Trustees, where you will have the opportunity to meet other members of the Presidents' Circle and hear first-hand the latest news from Rennie Grove Hospice Care.

In the words of a patient's family member:

**"Rennie Grove came out to us on the night my husband died. I don't know how I would have coped if I didn't have them to turn to. They made him pain free and comfortable and he died peacefully, five hours after they'd been."**
