

# Corporate Patron Programme

*Join our business network supporting adults and children with cancer and other life-limiting illness in west Hertfordshire and Buckinghamshire.*

**At Rennie Grove Hospice Care we believe that everyone with a life-limiting illness should be able to live well for as long as possible and have the choice to die at home. We put families at the heart of the specialist care we provide, visiting patients day and night and supporting local adults and children to live the best quality life they can to make every moment matter.**

*“I would encourage any local business to join the Corporate Patron Programme. It has enabled us to meet with other like-minded local businesses and build new relationships. Together we can make a difference to the amazing work carried out by Rennie Grove.”*

Why not encourage your employees to support Rennie Grove through payroll giving? It's an easy way for them to support us by giving a regular donation each payday. Another bonus is their donation is tax free meaning that if an employee chooses to donate £5 per month, the average tax payer will only actually pay £4 per month with the tax man paying the rest!
